We are looking forward to selling chocolate bars again this year and hope that this will be a successful campaign.

This can only be made possible with your assistance and support. Our Kick-off assembly will be held on September 27th.

More information to come. Please pay for your chocolate bar box on school cash on line. Chocolate boxes will be sent home with students when payment is received.

We appreciate your support with this fundraising venture and look forward to a very successful campaign!

### LUNCH OFF SCHOOL PROPERTY

Students in grades 7 and 8 only, will be permitted to leave the school at second nutritional break and only if they bring a note signed by their parents on the given day. If a student has parental permission to leave the school at this time on a daily/regular basis, please include this on a letter addressed to myself, school principal and the classroom teacher. We will hold this letter on file for the duration of the time requested or until the end of 2024/2025 school year. Leaving the school during lunch is a privilege that may be revoked if students are returning late or not acting maturely off school property.

### LOOKING FOR PARENT INVOLVEMENT

#### Volunteers

As we move towards reopening of schools and the reintroduction of volunteers into the school, you might wish to consider initiating/updating your police checks on record at the school. Please contact the office for more information as this procedure has changed as of this September..

#### School Snack Program

The school is always in need of a few volunteers to organize and keep the snack program running. These volunteers will work with "Food for Thought" to ensure that students receive a nutritious snack while at school 2-3 times per week. If this is something you may be interested in please contact Mr. Finocchio at the school.

#### Strong Start Reading Program

Strong start is an effective tool and requires some training so if you are looking for being a part of this program in the future and want to look into completing the training to use at any school, please inquire.

### INDOOR

While at school **all** students are expected to wear a clean pair of shoes when indoors. We recommend white soled running shoes as they can then be used for physical education class as well.

### BUSSING

The start of the school year is always a challenge. So we wish to remind all families of a few points that are meant to keep everyone safe and the transitions quick and smooth.

1. **Please always use the sidewalk** as it is the safest way to navigate through the 19 buses in the AM and PM. Not to mention setting a good example to the children.
2. **Crossing from your vehicle to or from the sidewalk should only be at the painted lines crossing area.** We are looking to have patrollers at the end of the day and ALL students crossing to awaiting family, vehicles will only happen there.
3. **NOTE: Once the buses have begun to arrive at the school, no other vehicles should approach the school for either drop off or pick up.**

We are a "Transfer" school and with 19-20 busses and hundreds of students, we ask all of you for your support in keeping everyone safe. Thank-you.

### **STUDENT ACCIDENT INSURANCE**

Many families do not know that our school board does not cover accident costs!

If an accident happens, the board may be prevented from offering financial solutions to our families even if we wanted to. Student accident insurance, Insuremykids®, can mitigate your board's exposure and help you manage the loss for student injuries that occur on school property or during school activities, including extracurricular sports.

Each year, many families are left financially unprotected when their children are injured at school, while participating in non-school activities or at home. If a student is injured, parent(s)/guardian(s) are responsible for any costs not covered by the Ontario Health Insurance Plan (OHIP) or their employer's health care plan. Please check with your provider regarding your coverage. Most accident-related expenses are not fully covered under OHIP and some expenses like ambulance fees, casts, crutches, physiotherapy and emergency dental care are usually not covered at all. This leaves you, the parent/guardian, financially responsible. To help protect your family, it is recommended that you consider obtaining student accident insurance. As a convenience to you, the Board has arranged to offer student accident insurance through insuremykids®. Participation is voluntary, but highly recommended, and the costs are to be paid by the parent/guardian. The program is available for students up to age 26.

Coverage is provided for a wide range of accidental expenses, including:

Dental Expenses - includes 10 years unlimited dental benefit coverage, future dental up to \$1,650 per

tooth, and injury-related orthodontia coverage up to \$2,500 per accident.

Total and Permanent Disability - up to \$350,000.

Loss of Limb/Loss of Sight, Hearing, or Speech.

Accidental Death.

Ambulance Fees.

And much more.

Insuremykids® Student Accident Insurance offers three plans with 24/7 coverage at affordable rates – their most affordable plan is \$17 per year and their most popular plan is the Platinum at \$33 per year, which provides out-of-province emergency medical coverage and travel benefits. All annual plans provide 13 months of coverage from the date of purchase. Family rates are available for three or more children in the same family, even if attending different schools. You can also save on time and premium with an optional 3-Year or 5-Year plan, available for online purchase only.

If you wish to purchase coverage, please do so directly online at [www.insuremykids.com](http://www.insuremykids.com) or call 1-800-463-5437. The insurance agreement is between You and the insurance underwriter, Old Republic Insurance Company of Canada. For more information, please visit [www.insuremykids.com](http://www.insuremykids.com).

## Three Whistle System Reminder

The guards will first sound the whistle with one long blast when they determine it is safe to enter the crosswalk, alerting motorists they are stepping out into the crosswalk. They will then sound two short whistle blasts indicating that pedestrians may cross the street.

## School crossings

A school crossing is any pedestrian crossing where a:

- school crossing guard is present
- school crossing stop sign is displayed

## How crosswalks differ from crossovers

A crosswalk is different from a crossover. A crosswalk is usually found at an intersection with traffic signals, pedestrian signals or stop signs.

A crosswalk can be:

- the portion of a road that connects sidewalks on opposite sides of the road into a continuous path, or
- the portion of a road that is indicated for pedestrian crossing by signs, lines or other markings at any location, including an intersection

At crosswalks, drivers are only required to stop and yield the entire roadway when a school crossing guard is present.

## Penalties

The penalties for drivers who endanger pedestrians are as follows:

Offence	Fine	Demerits	Other penalties
<b>Failing to yield at pedestrian crosswalks, school crossings and crossovers</b>	Up to \$1000	4 demerit points	None
